REPORT:

The webinar was conducted on 21/02/2020 (Sunday) on the topic “*webinar on amateur radio services*”. The session was being streamed in Google Meet from 2:00 p.m to 3:00 p.m. The resource person of the webinar is Mr.OM.V.RAMESH KUMAR, VU3VRF, Principal, Maruthi Hotel Management & Catering Institute, Theni.

The webinar started sharply at 2: 10 pm with the welcome address followed by the chief guest. After that the session was taken by the resource person. It was a wonderful 45 minutes session. He gave an excellent awareness about ham radio. He shared a lot of information about ASOC exam and also gave QR code which consists of ASOC exam study notes and syllabus. He shared his experience about ham radio during disaster management. All the participants gained knowledge about ham radio and internet radio. It was a wonderful session which was arranged by student coordinators. We had 30 active participants from Google Meet.

As an end to the webinar we had a question and answer session in which many participants have asked their questions and it was clearly explained by the resource person. A feedback link was posted and some of the participants filled it and at 3:45 p.m the webinar came to an end with a vote of thanks.
