APPRECIATIONS AND NEWS PAPERS

To,
The Principal,
KPR Institute of Engineering and Technology.

17.02.2026

Dear Madam,
Warm greetings from Shanti Ashram!

We convey our sincere and heartfelt gratitude to your esteemed institution for graciously nominating and sending your students to participate in the one-day immersive programme on “Volunteering for an Inclusive Community”, organised by the Mahatma Gandhi Institute for Peace Leadership and Development at Shanti Ashram on 21st January 2026.

The participation of your students played a significant role in shaping the spirit and depth of the programme. Their enthusiasm, sensitivity, and willingness to engage meaningfully with ideas, activities, and community realities enriched the collective learning environment. Throughout the day, the students demonstrated openness to dialogue, reflective thinking, and a genuine concern for social inclusion—qualities that speak volumes about the values nurtured within your institution.

The programme was conceived as a holistic learning experience, integrating theoretical inputs, participatory activities, and field engagement. Sessions on transformational leadership, child rights, self and collective identity, and action planning were complemented by interactive methodologies and community exposure. Your students' active involvement and thoughtful reflections reaffirmed our belief that young people, when provided with the right spaces and guidance, can internalise values of empathy, responsibility, and service.

We deeply appreciate your institution's trust and cooperation in enabling students to step beyond the conventional classroom and engage with lived experiences of community life. Such collaborations are vital in nurturing socially conscious citizens who understand that education is not only about professional competence, but also about ethical commitment and shared humanity.

Please find attached the certificates and group photos!

We look forward to your continued and active cooperation in future programmes, social immersion initiatives, and collaborative learning engagements at Shanti Ashram. We are confident that our shared efforts will continue to contribute meaningfully to the holistic development of students and to the larger vision of an inclusive and compassionate society.

With warm regards and sincere appreciation,

Subject: *Appreciation for Conducting the IEEE SSIT - RIIZE'25 Technical Outreach Event*

Respected Sir,

I take this opportunity to extend my appreciation to KPR Institute of Engineering and Technology and the IEEE SSIT KPRIET Branch for conducting the **"RIIZE'25 - Technical outreach program"** at our school.

The sessions were planned and executed with great professionalism. The topics on Canva, HTML, CSS, GitHub, and no-code website creation using PartyRock were presented clearly, allowing our students to gain practical knowledge and confidence in the field of technology. The Arduino demonstrations, including temperature-based fan automation and the sensor shoe for the visually challenged, were highly impressive and helped students understand real-world applications.

The competitions and interactive sessions encouraged our students to think creatively and actively participate. We also appreciate the initiative taken to bring our students to your campus on the second day, where they experienced Drone demonstrations by the Aviation and Robotics Club, 3D printing, L&T Experience Lab, EKKI Centre, and VFX & Animation showcased by MAAC.

On behalf of Government Higher Secondary School, Arasur, I express my gratitude to your esteemed Institution, Principal, Faculty members, and the IEEE SSIT Team for this valuable initiative. We look forward to continued association in the future.

Thanks and Regards
