

KPRIET

LIST OF EVENTS ACADEMIC YEAR: 2020-21

S.NO	DATE	EVENT NAME
1.	06.06.2020	World map for Biomedical Engineers
2.	10.06.2020	How artificial intelligence fights COVID – 19
3.	13.06.2020	GATE 2021 – Orientation Program
4.	20.06.2020	Learning opportunities in Indian Institutions
5.	11.07.2020	International virtual seminar on Indoor air quality maintenance and improvement for clean rooms in hospital and laboratories
6.	24.07.2021	Lung Sonogram and COVID 19
7.	27.07.2020 to 29.07.2020	Three days student development program for the students of the polytechnic college
8.	08.08.2020	A journey of cardiac application specialists in skilling healthcare industry
9.	08.08.2020	Assistive technology: A pathway to meaningful engineering
10.	15.08.2020	Testing and Troubleshooting of medical devices
11.	24.08.2020	Lung sonogram & COVID – 19
	05.09.2020	Insights of applied life science and healthcare

KPRIET

12.	07.09.2020	Why biomedical engineering?
13.	08.09.2020	Journey from a diploma graduate to a lifesaver
14.	09.09.2020	Opportunities in the field of dentistry
15.	06.10.2020	International webinar on Retrieve and Publish – Internet based tools and techniques
16.	12.10.2020	IN & OUT of N95 masks
17.	06.11.2020	Give sight to all – Ensure all are equal
18.	23.01.2021	GATE – Tips and Tricks
19.	29 .01.2021 & 30.01.2021	Workshop - Biomedical Signal and Image Processing
20.	04.02.2021	Webinar – Endometrial cancer – Early detection saves life
21.	06.03.2021	Webinar – Emerging Trends of Ultrasound Imaging in Smart Healthcare Systems
22.	13.03.2021	Webinar – My walk with Biomedical Engineering Trends – Gates open career
23.	16.03.2021	MOU signing with Waxwing Medical Technologies Pvt. Ltd.
24.	27.03.2021	Janata Curfew – Corona Rewind for Better Health
25.	10.04.2021	Webinar – Understanding Physiological Parameters in Patient Monitoring
26.	10.04.2021	COVID-19 Vaccination Drive

KPRIET

27.	16.04.2021	KPR Eye Camp
28.	08.05.2021	Webinar – Testing and Calibration of Medical Equipment
29.	14.05.2021	Webinar - Certification Courses in Med-Tech Industry
30.	20.05.2021	How to Build Your Career in Biomedical Engineering
