Outcome:

The program has been organized by the Centre for Liberal Arts. It is planned as a part of course “**Goal Setting, Team Building and Positive Thinking**”

The speakers of the session are Dr Babu Rangarajan & Dr Roja Ramani, Head & Associate Head, Centre for Human Excellence, KPRIET. This session initially starts with creating awareness to the students about the importance of Positive Thinking. This session provides insights about why it is necessary to build the art of positive thinking in day-to-day life. The session provides more practical examples to help the students apply and think positive in their real-life time which will definitely help them to build a support sounding environment.

The event is started with the welcome address given by Dr. Vanitha S, Head/ CFLA. The students from II-year Goal Setting, Team Building and Positive Thinking participated the event. The program was attended by 400 students. The session outcome and feedback received from the participants are excellent and they eagerly participated the program. The resource person clarified their doubts as well.
