

30.06.2023

FACULTY PARTICIPATION IN CONFERENCE/SEMINAR/WORKSHOP

Academic Year 2022 - 2023

S. No.	Faculty Name	Title	Conference/ Seminar/ Workshop	College Name	Start Date	End Date	Duration (Days)
1	Dr. S. Surendran	Wastewater Treatment Systems: Water Efficient Technologies and Opportunities	All India Seminar	KPRIET	22.12.2022	23.12.2022	2
		Microplastics Accumulation Prediction Using Machine Learning: Environmental and Public Health Impact	One day seminar	KPRIET	28.07.2023	28.07.2023	1
2	Dr. S. Karunakaran	Future Prospects Biological Science and Biotechnology	International Conference	Sri Shakthi Institute of Engineering and Technology	27.03.2024	28.03.2024	2
		Wastewater Treatment Systems: Water Efficient Technologies and Opportunities	All India Seminar	KPRIET	22.12.2022	23.12.2022	2
		Microplastics Accumulation Prediction Using Machine Learning: Environmental and Public Health Impact	One day seminar	KPRIET	28.07.2023	28.07.2023	1

3	Dr. E. Nakkeeran	Wastewater Treatment Systems: Water Efficient Technologies and Opportunities	All India Seminar	KPRIET	22.12.2022	23.12.2022	2
		Microplastics Accumulation Prediction Using Machine Learning: Environmental and Public Health Impact	One day seminar	KPRIET	28.07.2023	28.07.2023	1
4	Dr. R. Umapriya	National Intellectual Property Awareness Mission	IP Awareness/Training	Intellectual Property Office, India	02.11.2022	09.11.2022	8
		National Intellectual Property Awareness Mission	IP Awareness/Training	Intellectual Property Office and MoE's Innovation Cell, India	08.07.2022	12.07.2022	5
		Wastewater Treatment Systems: Water Efficient Technologies and Opportunities	All India Seminar	KPRIET	22.12.2022	23.12.2022	2
		Microplastics Accumulation Prediction Using Machine Learning: Environmental and Public Health Impact	One day seminar	KPRIET	28.07.2023	28.07.2023	1
5		Advanced Technologies in Chemical, Construction, and Mechanical Sciences	International Conference	KPRIET	09.02.2023	10.02.2023	2

	Dr. M. Laxmi Deepak Bhatlu	Wastewater Treatment Systems: Water Efficient Technologies and Opportunities	All India Seminar	KPRIET	22.12.2022	23.12.2022	2
		Microplastics Accumulation Prediction Using Machine Learning: Environmental and Public Health Impact	One day seminar	KPRIET	28.07.2023	28.07.2023	1
6	Mr. K. Murugesan	Wastewater Treatment Systems: Water Efficient Technologies and Opportunities	All India Seminar	KPRIET	22.12.2022	23.12.2022	2
		Microplastics Accumulation Prediction Using Machine Learning: Environmental and Public Health Impact	One day seminar	KPRIET	28.07.2023	28.07.2023	1
7	Mr. N. Arunkumar	Wastewater Treatment Systems: Water Efficient Technologies and Opportunities	All India Seminar	KPRIET	22.12.2022	23.12.2022	2
		Microplastics Accumulation Prediction Using Machine Learning: Environmental and Public Health Impact	One day seminar	KPRIET	28.07.2023	28.07.2023	1
8	Dr. Nitu Kumari	Advanced Technologies in Chemical, Construction and Mechanical Sciences	International Conference	KPRIET	09.02.2023	10.02.2023	2

		Wastewater Treatment Systems: Water Efficient Technologies and Opportunities	All India Seminar	KPRIET	22.12.2022	23.12.2022	2
		Microplastics Accumulation Prediction Using Machine Learning: Environmental and Public Health Impact	One day seminar	KPRIET	28.07.2023	28.07.2023	1
9	Ms. L. Dharani	Wastewater Treatment Systems: Water Efficient Technologies and Opportunities	All India Seminar	KPRIET	22.12.2022	23.12.2022	2
		Microplastics Accumulation Prediction Using Machine Learning: Environmental and Public Health Impact	One day seminar	KPRIET	28.07.2023	28.07.2023	1
10	Mr. J. Rohan	Wastewater Treatment Systems: Water Efficient Technologies and Opportunities	All India Seminar	KPRIET	22.12.2022	23.12.2022	2
		Microplastics Accumulation Prediction Using Machine Learning: Environmental and Public Health Impact	One day seminar	KPRIET	28.07.2023	28.07.2023	1
