On 24.10.2021 at 02.00 PM IST , 09.30 AM (London, United Kingdom), we the department of Chemical Engineering and Career Advancement Cell jointly organized a Webinar on '**Higher Study Opportunities in Foreign Universities**'. There are more than 80 students participated in this online webinar. Ms. Nasima, M. S. Scholar, Advanced Chemical Engineering with Biotechnology, Imperial College, London, guided the students on how to approach the abroad universities for their higher studies in Chemical Engineering. Senior professors and faculty members have attended the webinar. At the end of the session, Ms. Nasima interacted with the students and faculty members. It was really a useful and nice session for the students and the faculty members of the department.

The screenshot displays a Google Meet interface during a webinar. The main content is a slide titled "Why?" with the following bullet points:

- Better Career Opportunities , Graduate placements in big companies like amazon , AstraZeneca etc.
- Great Learning Experience.
- New culture, a chance to meet people from all over the world.
- Better academia opportunities.

The interface includes a top bar indicating "N Nasima Zahir is presenting". A participant list on the right shows several attendees, including "Nasima Zahir", "Surendran G CHO05", "Director CIIED", "Karunakaran S CH...", "20CH049 THIRUM...", "20CH012 Gnanase...", "77 others", and "You". The bottom of the screen shows the time "2:07 PM" and the meeting title "CAC/CH webinar 23.10.21".
