

Report on Workshop – “Basics of ASPEN PLUS”

Date of Event: 20.03.2021

Event: Workshop

Title of the Event: Basics of ASPEN PLUS

Beneficiaries: Faculty and Students

Objective: To impart the knowledge on design and simulation of process equipment using ASPEN PLUS software. The participants will be able to learn the basic usage of the tools and understand the simulation of various unit operations of chemical engineering.

No. of Participants: 52

Speaker: Mr. N.Arunkumar, Assistant Professor (Sr.G), KPRIET, Coimbatore.

Coordinators: Mr.K.Murugesan. Assistant Professor (Sr.G), KPRIET, Coimbatore.

Enclosure:

1. Invitation
2. One page report

Department of Chemical Engineering has organized a workshop on “Basics of ASPEN PLUS” on 20.03.2021. The resource person is Mr. N.Arunkumar, Assistant Professor (Sr,G), KPRIET, Coimbatore. Students and faculty members from Sri venkateswara Hi-tech polytechnic college and students of KPRIET have attended the workshop. Students were trained on the basic interface of aspen hysys software. The speaker has given brief introduction about the application and usage of the tool in design companies.Overall the session was very useful to the students and faculty.
