About KPRIET

KPR Institute of Engineering and Technology (KPRIET), is a new generation Autonomous Institution established in the year 2009 by KPR Charities. KPRIET approved by AICTE, New Delhi and affiliated to Anna University, Chennai, is dedicated for an unparalleled learning experience and is DSIR Certified Scientific and Research Organisation. This commitment is best reflected in its vision to become a globally recognized institute of engineering and technology by the year 2020. KPRIET is located on sprawling 150 acres of lush green campus with 5.7 lakh sq ft state-of-the-art buildings. Students and staff at KPRIET take great pride in the main features of the institute such as world-class infrastructure, top-flight faculty, well stocked library, high pass percentage, excellent placement record, unique student projects etc. This commitment to excellence is supported by a strong team of experienced professionals. In short, KPRIET stands tall as one of the best destinations for world class education.

About the Department

The Department of Civil Engineering of KPR Institute of Engineering and Technology, Coimbatore was established in the year 2009 with an annual intake of 60 and upgraded to the intake of 120 in the year of 2012. Also, in the year 2014, the Department has been elevated to its next pedestal by offering Post Graduation in Structural Engineering with an annual intake of 18. The Department has highly qualified and efficient faculty members with Ph.Ds. and Post Graduates graduated from well-reputed universities across the world.

Vision of the Department

To develop competent Civil Engineers to create infrastructure with technology in demand that leads to nation building.

Mission of the Department

- Provide holistic education to students to enhance technical knowledge and skills
 - Indoctrinate augmented contents to meet the requirements of stakeholders
 - Promote research and consultancy activities in collaboration with industries
 - Foster ethical and moral values with leadership qualities

Editor in Chief

Dr. D. Vijayalakshmi
Professor & Head / Civil

Editor

Mr. P. Manikandan
Assistant Professor / Civil

Upcoming Event

Department of Civil Engineering planned to organise a social and knowledge rejuvenation program “**Kalam’s 2020**” for Higher Secondary students on **16.11.2019**. Sapling plantation, social awareness program, Swachh Barath, Skill Development Programmes on 3D Modelling, Yoga, Career Guidance Program and NEET & JEE coaching will be conducted for the aspiring school students. In this event School Toppers will be honoured with “KPR Institution Award”.

Memorandum of Understanding (MoU) with BAI

As an endeavour to develop the skills of the students and to provide opportunities for Internship for Civil Engineering Students, The KPR Institute of Engineering and Technology signed a Memorandum of Understanding (MoU) with Builders Association of India on 30.05.2019. The MoU was signed by the Former Principal, Dr. K. Bommana Raja and the Chairman of Builders Association of India, Mr. V. Sivarajan. The objectives of MoU are to develop Skill Development Centre at the campus and to enhance placement and internship.

Career Development Programme & Summer Training Programme

A Career Development Programme on Total Station, ETabs and Quantity Take Off was conducted from 02.05.2019 (21 days) for the IV-year students which was monitored by Mr. V. Rajesh Kumar, Mrs. R. Kavitha and Ms. V. Kalaivani. One-week Summer Training Program on Revit Architecture for III-year students was conducted from 24.06.2019 to 01.06.2019 (6 days) which was handled by Ms. P. Indhiradevi and Mr. P. Manikandan and training on Perspective View in 3D modelling using Sketchup (software) was conducted for II-year students from 03.06.2019 to 05.06.2019 (3 days) by Ms. P. Indhiradevi.

Survey Camp

“Survey Camp”, a field training on surveying to improve students’ practical skill was organised at KPR Farms on 03.06.2019 to 08.06.2019. Mr. K. Rajkumar & Mr. P. Manikandan handled the survey camp session. Students from III-year Civil Engineering participated in the survey camp.

Executive Development Programme

Executive development Programme on “Civil Engineering Software – An Outlook” was organised by the Civil Engineering Department for the industrial experts on 12.06.2019 at Pallavi Hall and 6 industrial persons attended the event. Mrs. R. Kavitha, Assistant Professor elaborated the importance of ETabs in the Design field.

Executive Development Programme

Guest lecture on “How to get DTCP approval?”

A guest lecture on “How to get DTCP approval?” was organized by Department of Civil Engineering Department in association with Indian Concrete Institute and Builders Association of India on 25.6.2019. Er. V. Sivaranjan, Managing Chairman, BAI elaborated the process involved in getting DTCP approval and he also emphasized the process involved for hilly region and land near water bodies. Er. C. Lakshmanan, Treasurer, BAI gave a short note on importance of design for different Structural members and higher education in Civil Engineering.

Guest lecture on “Valuation of Land and Building”

A Guest Lecture on “Valuation of Land and Building” was organized by Department of Civil Engineering in association with Indian Concrete Institute on 05.07.2019. Dr. D. Vijayalakshmi, Professor and Head, Department of Civil Engineering, KPRIET welcomed the gathering. She pointed and highlighted the significance of valuation of land and building. Er. N. Raghuraman, Managing Director-NR RAGHURAM &CO elaborated the topic on valuation, approaches of valuation, purpose of valuation, procedure of valuation, steps involved in valuation for the students of final year Civil Engineering. He also explained about the professional bodies, membership and fellowship under building valuation.

National Seminar on “Disaster Mitigation and Management”

The Department of Civil Engineering conducted a National Seminar on “Disaster Mitigation and Management” on 12.07.2019. The Chief Guest for the seminar was Dr. K. V Jayakumar, Professor (Higher Administrative Grade) of Civil Engineering and Dean NIT, Warangal and Dr. R. Ilangoan, Former Chief Engineer, PWD, Vice chairman, TWAD Board, Chennai. Nearly 150 Participants from our college and from various colleges attended the workshop.

Seminar on Disaster Mitigation and Management on 12.07.2019

Expert lecture on “Structural Design and Detailing”

An Expert lecture on “Structural Design and Detailing” was organized by Department of Civil Engineering in association with Indian Concrete Institute and Builders Association of India on 03.08.2019. Er. R. Venkatachalam, Consultant-Architecture & Engineering, Managing Director, Venkat Associates elaborated the process involved in Structural Design and he also emphasized

the design models of structures using software which performs accurate calculations about each elements of a building. He explained about assessing the reaction of buildings to pressure and stress, and the method of finalizing the materials that would be suitable for the structure. He also presented the specialty of Civil Engineering, especially structural engineer who ensures stability of architectural components.

Technical Seminar & Association Inauguration

The Department of Civil Engineering inaugurated its Association with a Technical Seminar on 14.08.2019. Mr. K. Rajeevan, General Manager, Head-Engineering Design and Research Centre, WETIC, L& T Constructions, Chennai was invited as a Chief Guest. The Office Bearers were introduced and a brief note on the association activities of previous academic year and current academic year was given by Mr. S. Vignesh Kumar, Student

President. The Chief Guest, Mr. K. Rajeevan addressed about Civil Engineering Era from the history to current modern development, Current Budget allotted for the Infrastructure Development by the Central Government, Civil Engineers Demand and Scope, L&T recruitment process, Benefits of working in site, L & T projects, Safety, Value Engineering, Difference between Civil Engineering and other Disciplines, Quality of good Civil Engineers, Indian Standards for Design and also he added that fundamental knowledge and skill sets are two important things required to become a successful Civil Engineer. The Students interacted with the Chief Guest and asked many questions about L & T Projects, Interview Process, L&T recruitment, Internship and Gate Preparation.

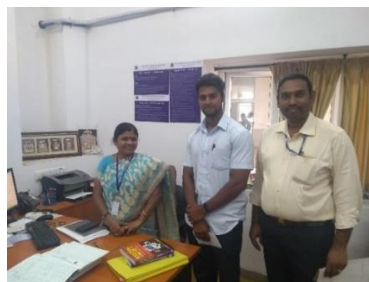

Civil Engineering Association Inauguration on 14.08.2019

Technical and Entrepreneur Talks

Motivational Talk on Entrepreneurship to Civil Engineers

The Department of Civil Engineering in association with Entrepreneurship Development Cell organized a Motivational Talk on Entrepreneurship to Civil Engineers on 21.08.2019. Er. R. Aravindraj, Managing Director, Aravind Associates, Tirupur was invited as Chief Guest. The Chief Guest Er. R. Aravindraj shared his experience as he started his career as a trainer at Sri Dhaksha Property Developers and during 2017, he established Aravind associates at Tirupur. In his speech he added that hard work, involvement, physical strength and mental strength are very important for success in any business. He pointed out the significance of YouTube channel, app development and fitness for the revenue generation. He discussed about manual quantity surveying and the requirement of Android Applications for the same.

Motivation Talk on Entrepreneurship to Civil Engineers on 21.08.2019

Women Entrepreneurship and Skill Development

One day National Workshop on “Women Entrepreneurship and Skill Development” sponsored by SERB, India was organised by Dr. A. K. Priya, Associate Professor, Department of Civil Engineering on 07.09.2019. The Chief Guest for the workshop was Ms. C. G. Sripriya, CEO, Best Engineers Pumps Pvt Ltd, Coimbatore and Guest of honour was Ms. V. R. Niveditha, Managing Director, Utpura Interiors, Coimbatore.

Honouring the Chief Guest at Women Entrepreneurship and Skill Development on 07.09.2019

Club Activities

Club Activities on Foundation Marking, Structural Health Monitoring, Innovation in Civil Engineering, Digital Surveying, Software and Masonry Works were conducted on 31.08.2019, 07.09.2019 and 14.09.2019. The club activities were coordinated by Mr. K. Rajkumar and respective club in charges.

Standard Penetration Test was demonstrated for III-year Civil Engineering students at KPR Farms on 14.09.2019 by Dr. R. Dharmaraj. Students of II-year Civil Engineering displayed Construction Materials at Strength of Materials lab on 14.09.2019 and the Expo was organised by Ms. P. Indhiradevi and Mr. P. Manikandan.

SPT Demonstration on 14.09.2019

Construction Materials Expo on 14.09.2019

Students Achievement

1. Mr. G. Gokul, Mr. Nishanth, Mr. Namrish, Ms. Gayathri and Ms. Subhiksha, II-year Civil Engineering students, participated in various technical events held on 21.09.2019 at Coimbatore Institute of Technology, Coimbatore and achieved I prize in Quiz, II prize in Model Making and II & III prizes in Treasure Hunt.
2. Ms. S. Shahithya, III CE B, won III prize in Tamil Essay writing Competition conducted by Builders Line Magazine on 19.10.2019.
3. Ms. R. Parameswari (III CE B) and Mr. B. Sivakumar (II ME) received Special Prize in Tamil Essay writing Competition conducted by Builders Line Magazine on 19.10.2019.
4. Ms. K. Gobika (III CE A) received Consolation Prize in Tamil Essay writing Competition conducted by Builders Line Magazine on 19.10.2019.

- Mr. S. Vigneshkumar, Final Year Civil, “Shri Sengoda Gounder Memorial Student Award” by Institution of Engineers, Local Centre- Coimbatore.

Awards and Prizes Achieved by Faculty Members

- Mr. V. Rajeshkumar received “My Teacher Award” on 05.09.2019 in the Teachers Day celebration event organised at Open Amphitheatre.
- Mrs. B. S. Meenakshi received consolation prize in Tamil Essay writing Competition conducted by Builders Line Magazine on 19.10.2019.
