SESSION:AFTERNOON (01.00 PM to 04.00 PM)

S.No	Common to M.E. Programmes & Ph.D. Course Work	COURSE CODE & COURSE NAME					
		06.06.2025 (Friday)	09.06.2025 (Monday)	11.06.2025 (Wednesday)	13.06.2025 (Friday)	16.06.2025 (Monday)	18.06.2025 (Wednesday)
1	M.E. Programmes: CAD/CAM, CSE, Structural Engineerig, VLSI Design Ph.D. Course Work: Mechanical Engineering, Information and Communication Engineering, Civil Engineering, Electrical and Electronics Engineering, Science and Humanities	P23CCP08 - Composite Materials and Mechanics	P23CC202 - Additive Manufacturing and Tooling	P23CC203 - Product Life Cycle Management	P23CC204 - Design for Sustainability	P23CC201 - Advance Finite Element Method	P23CCP11 - Industrial Robotics
2		P23CS201 - Modern Operating Systems	P23CS202 - Data Science	P23CS203 - Big Data Analytics	P23CSP01 - Information retrieval techniques	P23CSP13 - Deep learning	P23CSP15 - Cloud Computing Technologies
3		P23ST201 - Finite Element Analysis	P23ST202 - Advanced Reinforced concrete design	P23ST203 - Advanced Steel Structures	P23STP09 - Experimental Techniques	P23STP19 - Advanced Concrete Technology	P23STP16 - Energy Efficient Building
4		P23VL201 - Semiconductor Device Modeling	P23VL202 - Analog Integrated Circuits Design	P23VL203 - Hardware Verification Techniques	P23VLP07 - Design of Semiconductor Memories	P23VLP09 - Interconnections and Packaging for VLSI
