## **VISION AND MISSION OF KPRIET**

### **VISION**

- To become a premier institute of academic excellence by imparting technical, intellectual and professional skills to students for meeting the diverse needs of industry, society, the nation and the world at large

### **MISSION**

- Commitment to offer value-based education and enhancement of practical skills.
- Continuous assessment of teaching and learning processes through scholarly activities.
- Enriching research and innovation activities in collaboration with industry and institutes of repute.
- Ensuring the academic processes to uphold culture, ethics and social responsibilities.

### **QUALITY POLICY**

- KPRIET is committed to provide quality education and training for achieving academic excellence in the fields of Engineering and Technology to cater for the changing and challenging needs of industry and society
- KPRIET strives to consistently provide educational services to meet or exceed the requirements and expectations of students and other stakeholders
- KPRIET is committed to ensure a quality management system for conscious, consistent and catalytic improvement in all its core activities

## VISION AND MISSION OF MEDICAL CENTER

### ABOUT MEDICAL CENTER

The objective of the Medical Centre is to help students and faculty members with minor medical requirements while they are at college premises. The Centre also focuses on deliberating health related information amongst the college and organizing seminars on health related issues. The Medical Centre serves as an opportunity to maintain health, increase knowledge and awareness in the prevention of illness and injury. The center aims to provide first aid to the students round the clock. In case of any emergency, the student is taken to the neighboring hospital. The Centre also aims to provide medical camps for the benefit of students and employees

### VISION

- To emerge as a fully operational medical support system for the institution

### MISSION

- Establish medical facilities in house
- Provide virtual doctor support system

### OBJECTIVES

1. To ensure that students and faculty members with minor medical requirements are treated at college premises.
2. To build and strengthen health related knowledge amongst the stakeholders and employees of the institution.
3. To organize medical camps for the benefit of students, employees and general public

### ROLES AND RESPONSIBILITES

### OUTCOMES

1	Dr. M. Ramasamy	Principal (Chairman)
2	Dr. P. Sreelatha	Professor / BME (Head)
3	Dr. S. Renganayagi	Visiting Doctor
4	Ms. S. Abhinaya	Nurse

To provide first aid awareness and safety precautions To impart knowledge to handle the situations during emergency conditions.

**Event Summary**

Centre for Staff Development in association with KPR Medical Center was organized an awareness session "First Aid and Emergency Handling Techniques" for the Faculty and Staff members of our college on 28.10.2023 from 10.00 am to 12.30 pm at Sangam Hall. Team of members from "ALERT" organization (a volunteer driven NGO), Coimbatore deliberated awareness session along with demonstration. We have also signed MoU with the same organization. The primary goal of the seminar was to equip participants with essential first aid skills and emergency handling techniques. ALERT team members were demonstrated the following first aid techniques. CPR (Cardiopulmonary Resuscitation): Participants learned how to perform CPR effectively, including chest compressions and rescue breaths. They gained the knowledge and confidence to respond to cardiac arrest situations. Wound Care and Bandaging Techniques: Participants acquired the skills to clean and dress wounds, control bleeding, and apply bandages properly. Choking and Heimlich Maneuver: The workshop provided participants with the ability to identify choking incidents and perform the Heimlich maneuver to clear obstructions. Fracture and Splinting Techniques: Attendees learned how to recognize fractures and safely immobilize injured limbs using splinting techniques. Handling Burns and Scalds: Participants gained insights into the appropriate first aid measures for burns and scalds, including cooling the affected area and applying dressings. Emergency Medical Services (EMS) and Calling 911: The workshop emphasized the importance of quickly accessing professional medical assistance by calling 911 and understanding the role of emergency medical services. Practical Application: The

hands-on training and role-play exercises enabled participants to practice the skills they learned in a controlled setting, boosting their confidence in real-life emergency situations.

2	Bharath V	Co-convenor

Outcome

An ISR activity for the general public

Event Summary

The eye camp was conducted by KPR medical center in association with young friends Cricket club , Periyanaicken palayam, Coimbatore. A team of specialists from Aravind eye hospital Coimbatore catered the medical needs for conducting the eye camp. Masonic medical center had sent a team of staff members to check the general health of all the patients. happy to bring to notice that KPR Medical Center, in collaboration with Masonic Medical Center, hosted a free General Health Checkup and Eye Camp, in association with Aravind Eye Hospital! This noble initiative aims to provide much-needed medical services to the underprivileged and those unable to access healthcare facilities in the city. We are humbled by the overwhelming response, with a total of 778 participants benefiting from the health checkup. It warms our hearts to witness the positive impact this event has had on the lives of so many individuals, ensuring they receive the attention they deserve for their health. In our efforts to address critical eye health concerns, 138 individuals have been recommended for free cataract surgery. This gesture reflects our commitment to offering comprehensive care and support to those who need it most. None of this would have been possible without the invaluable support of Masonic Medical Center and Aravind Eye Hospital. Their collaboration has been instrumental in making this outreach program a resounding success, touching the lives of countless individuals and families. At KPR Medical Center, we firmly believe in serving the community and leaving no one behind when it comes to healthcare. As we move forward, we remain dedicated to extending our assistance and support to those in need. We express our deepest gratitude to all the volunteers, medical professionals, and everyone involved for their selfless contributions, making this endeavor a beacon of hope for the underserved. Together, we can make a difference in the lives of others, and we look forward to more opportunities to serve and uplift the community in the future.

The poster features the KPR Institute of Engineering and Technology logo at the top left. The main text reads: "KPR Medical Center and Department of Biomedical Engineering Organizes Free General Health and Eye Camp". The venue is listed as "Balakrishna Kalyana Mandapam, Periyanaickenpalayam, Coimbatore". The event is scheduled for "8.00 AM TO 1.00 PM" on "23 July, 2023". It is held "In Association with Aravind Eye Hospital and Masonic Medical Center". The convenors are "Dr.P.Sreelatha Head/KMC" and "Mr.Bharath.V, Asst. Prof/ BME". At the bottom, there are social media icons for WhatsApp, Facebook, and Instagram, along with the text "KPRITweets".

## **EVENT REPORT**

**Students Affairs of KPRIET**

jointly

with

**Women Empowerment Cell and Medical Centre of KPRIET**

organized an awareness campaign on

### **BREAST HEALTH**

On

28/10/2023

#### **Aim:**

The aim of the campaign program on "Breast Health" is to raise awareness and promote knowledge about breast health among students and faculty members community. By focusing on preventive measures, early detection, and overall well-being, the campaign aims to empower individuals with information that can contribute to a healthier and more informed lifestyle.

#### **Objectives:**

The main objectives of the event are to,

- Provide comprehensive information about breast health, emphasizing the importance of regular check-ups, self-examinations, and a healthy lifestyle.
- Educate participants on the signs and symptoms of breast-related issues and the significance of early detection in improving treatment outcomes.
- Work towards destigmatizing discussions around breast health, encouraging open conversations, and fostering a supportive environment where individuals feel comfortable seeking information and support.
- Empower women and men alike with the knowledge and tools necessary to take charge of their own health, promoting a proactive approach to well-being.
- Foster a sense of community engagement by collaborating with external medical institutions like Kovai Medical Centre and utilizing the resources of KPRIET Medical Centre, creating a network for ongoing support and information dissemination.

#### **Outcomes:**

**At the end of the session, the participants,**

- Gained a heightened awareness of the importance of breast health, leading to informed decision-making regarding their well-being.
- Improved understanding of early signs and symptoms encourages individuals to seek timely medical attention, potentially leading to earlier diagnosis and better treatment outcomes.

- Developed a supportive community environment where individuals feel comfortable discussing and addressing breast health concerns.
- Got empowered with knowledge and promoting proactive health practices, the campaign contributes to long-term improvements in the overall health and well-being of the community.
- The collaboration with Kovai Medical Centre strengthens the ties between educational institutions and healthcare providers, establishing a network for future health-related initiatives.
