

We are proud to announce

of our students believe KPR Institute of Engineering and Technology provides multiple opportunities to learn & grow!

As an inclusive and progressive engineering institution, we provide an outstanding learning environment for our students to inspire and help envision the possibilities of what is to come and design solutions for a better future. Dr KP Ramasmy Chairman, KPR Group

and excellent academic outcomes prepare them to be leaders in the ever-changing world. Our Active learning spaces play a vital role in that. Prof. Dr. Akila Muthuramalingam
Principal, KPR Institute of Engineering and Technology
