Outcome

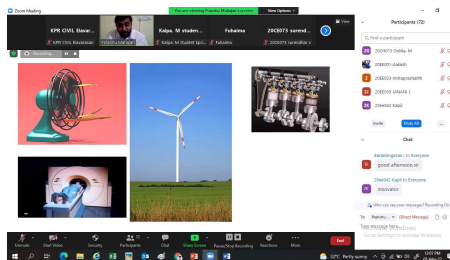

Students aware of the Higher studies opportunities available in India

Event Summary

Career Advancement Cell of KPR Institute of Engineering and Technology, Coimbatore organized a webinar on "Higher Studies Opportunities for Engineering Graduates in India" on 5th March 2022. The main aim of the expert talk is to make the students aware of the Higher studies opportunities available for Engineering graduates in India. Ms. P. Fathimathul Fuhaima/II year civil A welcomed the gathering and introduces the chief guest. Mr. Pranshu Mahajan, Alumnus - IIT Ropar, GATE & ESE Faculty, Bangalore, addressed the gathering on the opportunities available for M.E/M.Tech students in ISRO, DRDO, BARC & CSIR as research scholars in the thrust areas. Further he explained about the higher studies options such as M.E, MBA, MS & PhD through competitive examinations. He also elaborated the scholarship schemes and fees paying methods for higher education. And He cleared the doubts raised by the students. Finally Ms. R. Kavipriya/III year EEE, proposed the vote of thanks. Total of 05 faculty members, 77 students attended the programme.
