Outcome

Event Outcome: studnets able to know about govt. sector job opportunities, private sector and brief about higher study.

Event Summary

Our Resource person Mr. K. Murugesan, Assistant Professor – Sr. Grade, Department of Chemical Engineering, KPR Institute of Engineering and Technology, Coimbatore, he delivers the content very well. He covered government sector job opportunities, private sector, and brief of higher study opportunities. GATE exam guidelines already discussed earlier event, so that shortly talked about the importance of GATE exam. He provided the information about top companies worldwide, India, and our KPR recruiters. It was very much useful to the students. He interacted well to the pre-final years attended. Students asked queries to get more clearance from their side. Studnets given incredibly good feedback about the event. Students expect to conduct this type of events in future. Feedback analysis has been done. Overall, it was observed as good feedback about the event. Studnets liked more about the KPR recruiters part and role of chemical engineers. In one line, the outcome of the event is, 'studnets able to know about govt. sector job opportunities, private sector job opportunities, and brief about higher study opportunities in India and abroad.'
