**Event Summary**

The Department of Civil Engineering of KPR Institute of Engineering and Technology organized the National Level Symposium “**CIVISTRA 2022**” for Polytechnic Students on 25th March 2022. The main aim of this program is to focus the development of the students to choose their career in their relevant field. The inauguration was started with welcome address by Mr.A. Faheem Ahmed, III year, Civil Engineering followed by Presidential address by Dr.M.Akila, Principal, KPRIET. In the Presidential address, she mentioned about the significant development of Civil Engineering and its opportunities in the present scenario. The Chief Guest address was given by Dr. P Arumairaj, Proprietor Alzum Geo Civil Integrated, Building Service Pvt Ltd., Chairman – IGS, Coimbatore Chapter. Nearly 171 participants from various polytechnic colleges attended the program. The Workshop on “Sketchup” and Seminar on “Career Guidance” was conducted to the students by Mr.M. Ram Vivekananthan and Mr.A.Vasudev in the morning session after inauguration. Mr.M. Ram Vivekananthan, Draftsman, BIM-COE demonstrated about the sketchup software. Mr.A.Vasudev, Trainer, KPR civil academy educated the students about the opportunities of Civil Engineers in public and private sectors. In the afternoon session, the events like Tech connect, Code Cracking, Cadd Contest, gully cricket and Spot events were conducted. Mr.S.Elavarasan, Assistant Professor (SI.G), Department of Civil Engineering, KPR institute of Engineering and Technology delivered vote of thanks. The coordinator of the program and faculty members of Civil Engineering Department made all the necessary arrangements for the smooth conduct of the program. The symposium was concluded with the feedback session and certificate distribution to the participants.
