Outcome

The one day National Level Technical Symposium - IGNUZ'22 was conducted to create a forum to discuss and experience the technical developments in the field of Biomedical Engineering with the peer group of similar institutions. The event also provided an opportunity for the students to interact with the industry experts and gain knowledge on the trends followed and expected in an industry.

Event Summary

One Day National Level Technical Symposium - IGNUZ' 22 The Department of Biomedical Engineering conducted **One day National Level Technical Symposium – IGNUZ'22** on 25th March, 2022 (Friday). The event was sponsored by the Biomedical Engineering Society of India (BMESI), Medsby Healthcare and Engineering Solutions, Coimbatore and Prashann Medical Technologies, Coimbatore. The session started with the presidential address by the beloved principal of KPRIET – Dr. M.Akila. The welcome address was given by Dr. D. Ganeshkumar, Head of the Department. There were 307 participants for this event from various institutions. The guest of honor for the inaugural function was Mr. Guruprasath, Founder and CEO, Medsby Healthcare and Engineering Solutions, Coimbatore. He addressed the gathering about the various projects that are ongoing in the healthcare industry. The following technical and Non-technical events were conducted in a series. • Script Conjura – Paper Presentation • Dexter's Laboratory – Exhibit your expertise with machines • Mr. & Ms. Medico Sapiens – Technical Quiz • Free style Dancing • Free style Singing • Secret of Chambers – Treasure Hunt The valedictory function of IGNUZ'22 started by 3.15 PM at Raagam Hall. Mr. Rajesh Dhamodharasamy, Senior Program Manager, Philips, Washington, USA was the guest of honour. He addressed the gathering with his knowledge gained during his service in the field of medical prosthetic designing. The winners of various contests were announced and rewarded during this session.
