Created Awareness among the students about the opportunities in core industries

Event Summary

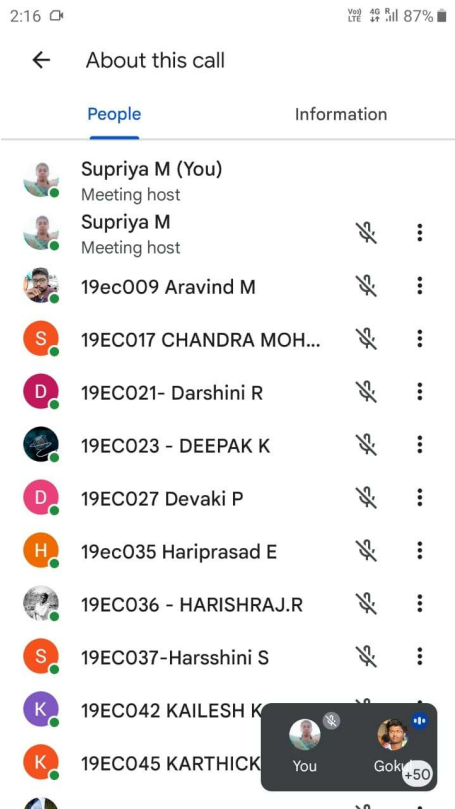

Department of ECE in association with Office of Alumni Relations (OAR) organized Alumni Lecture series - 7 on "Gateway to core Industries" on 26.03.2022 from 02:00 pm to 03:00 pm. Dr.B.Jaishankar (AsP/ECE) welcomed the gathering and introduced the resource person. The resource person Mr. Gokul R (2017–2021), Hardware Design Engineer, VVDN Technologies, Pollachi discussed about recent technologies in core industries. The objective of this webinar is to expose the participants to the recent technologies. He also insisted our students to study and well aware of all the Basic Electronic concepts, coding skills and strong fundamentals of core subjects related to ECE and good aptitude and Logical reasoning Skills.. Students were happy interacting with the resource person. Students gave good feedback about the delivery of content by the resource person.
