EC001

NBA Accredited
(CSE, ECE, EEE,
MECH, CIVIL)**ALUMNI LECTURE SERIES 4**

Event No	EC001
Organizing Department	Electronics and Communication Engineering
Associate Dept. NSC	Office of Alumni Relations
Date	28/10/2023
Time	11:30 AM to 12:30 PM
Event Type	Alumni Activity
Event Level	Dept. Level
Venue	D210
Total Participants	46
Faculty - Internal	3
Faculty - External	3
Students - Internal	40

1	Jai Shankar B	Coordinator
2	Supriya M	Coordinator

Outcome

key outcomes are: Understanding of industry requirement career planning

Event Summary

The primary objective of the lecture series was to provide students with real-world insights and experiences shared by an esteemed alumnus, Mr. C. Suresh. His expertise as a Hardware Engineer at VVDN Technologies added significant value to the event, offering students a practical understanding of the industry and its expectations. Mr. C. Suresh, a distinguished alumnus, shared his professional journey, highlighting the challenges and achievements throughout his career. His experience in the field of Hardware Engineering, particularly at VVDN Technologies, Pollachi, offered invaluable insights to the attending students. The lecture covered various key aspects of hardware engineering, emerging trends in the industry, and the importance of staying updated with technological advancements. Mr. Suresh also shed light on the relevance of the academic curriculum to the industry's requirements and shared tips on career development. The students had the chance to network with Mr. Suresh, fostering connections and gaining valuable insights into potential career paths and opportunities in the electronics and communication engineering domain. The Alumni Lecture Series IV featuring Mr. C. Suresh was a resounding success, providing students with an enriching experience and practical knowledge that will significantly benefit them in their academic and professional pursuits.

The poster features the KPR Institute of Engineering and Technology logo at the top left. The main title is "ALUMNI LECTURE SERIES - IV" in green. The topic is "Topic : Opportunities in Electronics Industries". The date and time are "28 Oct 2023" and "11.30 AM - 12.30 PM". The location is "D-210 ECE Block". The speaker is "Mr. C. Suresh (2017-2021)", a Hardware Engineer at VVDN Technologies, Pollachi. A circular portrait of Mr. Suresh is shown. The department is "DEPARTMENT OF ECE". There are accreditation logos at the bottom right, including NAAC and G20.
