Event Summary

Department of ECE organizing alumni lecture series on March 2, 2024. This event is especially for second year students of ECE. The resource person is our alumni Mr. Daves P of 2023 batch. He has scored highest grade in IELTS. He is also a GRE aspirant. He will guide our students about IELTS cracking tips. The event 'Demystifying the IELTS' aimed to provide attendees with a comprehensive understanding of the International English Language Testing System (IELTS) exam. The event attracted a diverse audience interested in studying, immigrating, or working in English-speaking countries where IELTS scores are required. An experienced IELTS instructor provided a detailed explanation of the exam format, including the four sections: Listening, Reading, Writing, and Speaking. Strategies and tips for effective preparation were shared, including practice techniques, time management, and common pitfalls to avoid. Attendees gained a clearer understanding of the IELTS exam, its format, and scoring criteria. Students had the opportunity to ask questions and seek clarification on any aspect of the IELTS exam. The event concluded with a networking session, allowing participants to connect with fellow test-takers and professionals in the field.

The poster features the KPR Institute of Engineering and Technology logo at the top left. The main title is 'ALUMNI LECTURE SERIES - VII' in green.
