Event Summary

Department of Computer Science and Business Systems in association with Centre for Research and Development have conducted an expert discussion on 'CHALLENGES AND OPPORTUNITIES IN NAVAL RESEARCH' on 19. 07. 2023. The talk was delivered by Dr. M.Ravindran, Chairman (Ex.), Naval Research Board, Coimbatore. Faculty members and research scholars attended the session and discussed about avenues in naval research. Research Problems :Materials (MAT) PanelHydrodynamics (HYDRO) PanelOcean Environment(OE) PanelSonar & Signal Behaviour (SSB) PanelMarine System (MAR) PanelScientific Computing (SC) PanelHydro-Vibro-Acoustic (HVA) PanelProject proposal to be submitted in short proposal format to the Member Secretary, NRB as per the thrust areas of NRB. Proposal will be sent to the concerned naval lab by the NRB officewith intimation to the Panel Chairman. If naval lab (NMRL, NSTL, NPOL & DMRL) shows some interest in the proposal, then only PI needs to submit detailed proposal to NRB and PI will be called by the Panel Chairman to present the project proposal in the appropriate panel to get the recommendation for approval. Once project is approved, hard copy of the detailed proposal to be submitted by the PI to the NRB office (in the specified format) through their institutions for financial sanction from the Competent Authority in DRDO HQ.
