Outcome

The event Oratorical and Debate Contest organised by the Sweet Talkerz club and Internet Radio Club aimed at upskilling the oratory skills of the participants. It also focused on enhancing the communicative skills and presence of mind of the students. The event even uplifted the confidence of the students, enabling them to speak on a topic that was already given. Debate gave them the opportunity to analyse a particular social issue in terms of merits and demerits. It created a positive environment and platform for students to speak up their mind in a natural tone.
