Outcome

The Department of Computer Science and Business Systems (CSBS) held a fascinating two-daycourse on data structures titled "Unlocking the Power of Data Structures: Industry Perspective."The training was held in the classroom for the second year of CSBS on September 29 and 30,2023. The guest speaker during the event was Dr. R. Rajalingam, Director of ProductDevelopment at ServiceNow, Hyderabad.Our esteemed guest speaker, Dr. R. Rajalingam, spoke on stage and provided his professionalperspective on the value of data structures. His fascinating presentation gave students insightfulviewpoints on the real-world uses for data structures in the industry.The two-day Data Structures Workshop, led by Dr. R. Rajalingam, was a tremendous success. Itwas marked by its interactive, fun, and casual yet highly engaging format. Students benefitedfrom the industry insights shared by the guest speaker and gained a deeper appreciation for thepractical applications of data structures.

Event Summary

The Department of Computer Science and Business Systems (CSBS) held a fascinating two-daycourse on data structures titled "Unlocking the Power of Data Structures: Industry Perspective."The training was held in the classroom for the second year of CSBS on September 29 and 30,2023. The guest speaker during the event was Dr. R. Rajalingam, Director of ProductDevelopment at ServiceNow, Hyderabad.Our esteemed guest speaker, Dr. R. Rajalingam, spoke on stage and provided his professionalperspective on the value of data structures. His fascinating presentation gave students insightfulviewpoints on the real-world uses for data structures in the industry.There were more interactive workshops throughout the day. Dr. Rajalingam enhanced thelearning process by providing examples from real-world situations and difficulties he has facedthroughout his career.Topics such as queries, linked lists, and more were explored in detail.Fun and informal activities were incorporated into the class to keep the mood upbeat. Theseexercises strengthened important ideas covered in the courses while fostering a sense ofcamaraderie among the participants.The workshop's second day continued to be lively and interesting. Students had the opportunityto ask questions, participate in discussions, and gain a deeper understanding of data structures.The two-day Data Structures Workshop, led by Dr. R. Rajalingam, was a tremendous success. Itwas marked by its interactive, fun, and casual yet highly engaging format. Students benefitedfrom the industry insights shared by the guest speaker and gained a deeper appreciation for thepractical applications of data structures.The workshop's relaxed atmosphere encouraged active participation and knowledge exchange,making it a valuable learning experience for all attendees.
