Event Summary

Department of Information Technology is planning to organize a experience sharing session on Professional Insights to Freshmen' to the first year students on 20th Sep 2023. This event is planned as part of the first year induction program. The resource person for the session is Ms.Sindhu Shanmugam, Ex;CISO, Founder and CEO of Motherhoodvibes, Coimbatore. **Embrace Challenges**●Challenges and obstacles are part of the journey.●Don't be discouraged by them; instead, view them as opportunities to learn and grow.●**The most significant growth often occurs outside of your comfort zone.****Set Goals**●Have clear, well-defined goals for your college experience.●What do you want to achieve academically, personally, and professionally?●**Setting goals will give you direction and purpose.****Time Management**●College life can be hectic, but effective time management is your key to success.●Prioritize your commitments, create schedules, and make the most of your time.●**Seek Knowledge**●Beyond your coursework, pursue knowledge and learning passionately.●**Engage with your professors, explore different subjects, and cultivate a curious mind.****Build Relationships**●College is not just about academics; it's also about forming lasting friendships and professional connections.●Get to know your peers, participate in clubs or activities, and network with professors and alumni.
