Outcome

The workshop began with great enthusiasm, providing attendees with a unique opportunity to explore ethical investing in the stock market. Mr. Srivasthan Raju, our guest speaker, brought his wealth of knowledge and experience to the forefront. Mr. Srivasthan Raju delivered a comprehensive presentation covering various aspects of ethical investing, including asset allocation, mutual funds, balance sheets, equity cash flow, building stock market portfolios, and investment strategies. His insights into responsible and sustainable investment practices were both enlightening and thought-provoking. Interactive discussions allowed participants to engage directly with Mr. Srivasthan Raju. Attendees had the opportunity to seek clarification on investment concepts and explore real-world scenarios in ethical investing.

Event Summary

The Department of Computer Science and Business Systems (CSBS) organized an enlightening two-day workshop on Ethical Investing, focusing on "Stock Market for Responsible Investment." The workshop was conducted from October 5th to 6th, 2023, and took place at [Insert Venue]. The event featured Mr. Srivasthan Raju, the Ecommerce Parts Strategist at Daimler Truck Innovation Center India (DTICI), as the esteemed guest speaker. The workshop began with great enthusiasm, providing attendees with a unique opportunity to explore ethical investing in the stock market. Mr. Srivasthan Raju, our guest speaker, brought his wealth of knowledge and experience to the forefront. Mr. Srivasthan Raju delivered a comprehensive presentation covering various aspects of ethical investing, including asset allocation, mutual funds, balance sheets, equity cash flow, building stock market portfolios, and investment strategies. His insights into responsible and sustainable investment practices were both enlightening and thought-provoking. Interactive discussions allowed participants to engage directly with Mr. Srivasthan Raju. Attendees had the opportunity to seek clarification on investment concepts and explore real-world scenarios in ethical investing. The workshop attracted students from various colleges across Tamil Nadu, fostering a vibrant environment for networking and knowledge exchange. Attendees had the opportunity to connect with like-minded individuals passionate about ethical investing and the stock market. In the afternoon of Day 1, an exciting idea pitch event, "Bizzathon 23&#39;," was conducted. Various teams participated, pitching innovative ideas and solutions for a range of problem statements. This event provided a platform for creativity and entrepreneurship, aligning with the theme of responsible investment. The second day of the workshop continued with further insights from Mr. Srivasthan Raju. Participants delved deeper into the principles and strategies of ethical investing, gaining a more comprehensive understanding of responsible investment practices. Department of Computer Science and Business Systems KPR Institute of Engineering and Technology To conclude the workshop, awards were presented to the winners of "Bizzathon 23&#39;." These budding entrepreneurs and problem solvers were recognized for their innovative ideas and awarded cash prizes. The two-day workshop on Ethical Investing, organized by the Department of Computer Science and Business Systems, provided attendees with valuable insights into responsible investment practices. Mr. Srivasthan Raju's expertise and the interactive nature of the workshop

made it a highly engaging and informative event. It also served as a platform for students from various colleges to network, share ideas, and learn more about ethical investing and the stock market. The idea pitch event, "Bizzathon 23", highlighted the creative potential of young minds and encouraged them to pursue responsible investment as a means to create a sustainable future.
