**KNOWLEDGE SHARING WITH IITM SHAASTRA TEAM**

Event No	MI001
Organizing Department	Mechatronics Engineering
Associate Dept.   NSC	Mechatronics Engineering
Date	06/10/2023
Time	02:00 PM to 04:00 PM
Event Type	Association Activity
Event Level	Dept. Level
Venue	Experience Engineering
Meeting Medium	
Meeting Link	<a href="https://meet.google.com/hny-oqcz-btp">https://meet.google.com/hny-oqcz-btp</a>
Total Participants	23
Faculty - Internal	1
Students - Internal	20
Students - External	2

## Outcome

**In-depth Understanding:** The students who attended the event gained an in-depth understanding of the various technical events and activities that are part of IITM's Shaastra. This included workshops, competitions, lectures, and exhibitions. **Interactive Session:** The session with the IITM Shaastra team was highly interactive. Attendees had the opportunity to ask questions and engage in discussions with the team members, allowing for a more personalized learning experience. **Practical Tips:** The IITM Shaastra team shared practical tips and insights on how to successfully participate in and organize technical events. This information was valuable for students interested in hosting similar events at KPRIET. **Inspiration:** The event served as an inspiration for the Mechatronics students. Learning about the accomplishments and experiences of the IITM Shaastra team motivated them to explore new opportunities and consider organizing a similar mega event at the KPRIET campus. **Networking:** Students had the chance to network with the IITM Shaastra team, which could potentially lead to future collaborations and exchange of ideas between the two institutions. **Increased Awareness:** The event increased awareness about the possibilities and potential for technical events within the KPRIET campus. It encouraged students to actively participate in and contribute to such events. **Feedback:** The event organizers collected feedback from the attendees, which will help improve future events and tailor them to the specific interests and needs of the Mechatronics students.

## Event Summary

Event Title: Knowledge Sharing with IITM Shaastra Team  
The Mechatronics Students Association of KPRIET has organized an informative and interactive event titled 'Knowledge Sharing with IITM Shaastra Team' on 06.10.2023 during 2.00PM to 3.45 PM. The aim of this event was to provide valuable insights into the various events organized by the prestigious Indian Institute of Technology Madras (IITM) as part of their annual technical festival, Shaastra. The primary aim of this event is to provide valuable insights into the various events organized by the prestigious Indian Institute of Technology Madras (IITM) as part of their annual technical festival, Shaastra. Our distinguished guests for the day will be a team from IITM Shaastra, who will share their experiences, knowledge, and invaluable tips for participating in and successfully organizing technical events. The event featured a team from IITM Shaastra who shared their experiences, knowledge, and tips for participating in and organizing successful technical events at their premises. This event encouraged the MI students to explore opportunities for conducting the mega event at KPRIET campus. Students are encouraged to explore opportunities for conducting similar mega events right here at the KPRIET campus.
