## Workshop on "Data Visualization using Power BI"

Event No	CS012
Organizing Department	Computer Science and Engineering
Associate Dept. | NSC	International Society for Technology in Education
Date	27/04/2022
Event Type	Workshop
Event Level	Institute
Venue	Veena Hall
Total Participants	42
Faculty - Internal	2
Students - Internal	40

Outcome

Students came to know about a data visualization tool Power BI and started working on it. It will help them in their placement.

Event Summary

       The program was organized by the Department of Computer Science and Engineering department in association with ISTE Faculty Chapter on 27.04.2022 from 09.00 AM to 4.30 PM. The objective of the program is to give basic knowledge and awareness about Data Science and one of the data visualization tools Power BI. Our resource person Dr Devipriya A gave brief introduction about Data and Data Science and the need to visualize it. She also introduce the tool Power BI and its components. Ms Jency A Jebamani delivered the session on how to install Power BI and how to import and visualize data on it. The afternoon session is engaged as hands-on session and make all the participants to install Power BI in their laptop and visualize the sample dataset. Total of 42 participants attended the program. The workshop was successfully completed with Q&A session and feedback session.
