1	Joel E	Convenor

Outcome

Hands-on experience gained in camera techniques such as framing, lighting, and composition. Increased understanding of post-processing tools, enhancing digital manipulation skills. Promotion of critical thinking and artistic expression through varied photographic assignments. Strengthening of teamwork abilities via collaborative group projects. Observable improvement in student portfolios, showcased in the final exhibition. Enhanced enthusiasm among students, indicating a promising potential for further exploration in photography.

Event Summary

The Shutterbugs Photography Club of KPRIET, working under the Sangamam Clubhouse, recently organized a Photography Workshop on 14th October 2023 at Gitam Hall. The session was spearheaded by Mr. Saravanan E, a renowned Designer and Photographer from the Office of Print and Media. The event witnessed enthusiastic participation, with students and attendees immensely benefiting from Mr. Saravanan's expertise. The feedback received from the participants, as encapsulated in a recent compilation, highlighted the informative and engaging nature of the session. Many expressed gratitude for the newfound knowledge on core photography aspects like ISO, Shutter Speed, and Focus. A section of the attendees, previously unfamiliar with photography, were particularly pleased to have gained significant insights from the workshop. Several participants described the session as 'awesome' and 'really good', and the eagerness for attending more such sessions in the future was palpable. The positive responses underscored the success of the workshop and the impact it had in cultivating an interest in photography among the participants. In conclusion, the Photography Workshop, backed by the commendable expertise of Mr. Saravanan and organized by the Shutterbugs, marked a significant milestone in promoting photography as a skill and art form among students within the campus.
