Outcome

The crash course is provided focused and intensive preparation platform for aspiring GATE 2024 candidates

Event Summary

The 'Crash Course for GATE 2024' in the subject of General Aptitude commenced on October 12, 2023, with Ms. Aishwarya Vijay, a distinguished faculty member from Ace Academy, leading the course. This event was jointly organized by the Career Advancement Cell at KPRIET (KPR Institute of Engineering and Technology) and the prestigious Ace Academy. The primary objective of this crash course was to provide an intensive and targeted preparation platform for aspiring GATE 2024 candidates, focusing specifically on the critical subject of General Aptitude. Ms. Aishwarya Vijay, an expert in the field, brought her extensive knowledge and experience to guide students through this essential GATE component. The event marked a significant opportunity for participants to enhance their grasp of General Aptitude concepts, sharpen their problem-solving skills, and develop effective strategies for approaching GATE questions in this domain. The course aimed to empower students with the tools and techniques needed to excel in the GATE 2024 examination. Ms. Aishwarya Vijay's expertise and engaging teaching style made the learning experience both informative and engaging. Her insights into General Aptitude, combined with the structured curriculum, created an environment conducive to effective learning and skill development. The Crash Course for GATE 2024 in General Aptitude served as a vital stepping stone for GATE aspirants, equipping them with the knowledge and confidence necessary to tackle this significant section of the examination. The collaboration between the Career Advancement Cell at KPRIET and Ace Academy played a pivotal role in delivering a high-quality preparation opportunity for aspiring GATE 2024 candidates.
