Outcome

Created awareness of the field of forensics and relation to learnings from Biomedical Engineering into the field

Event Summary

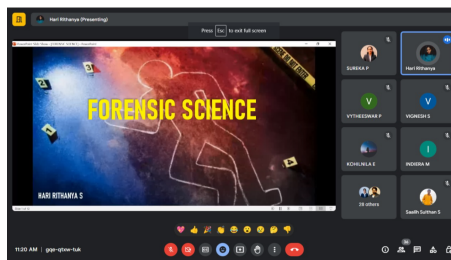

The Alumni Session on 'Exploring Forensic Futures & Higher Education Opportunities' commenced with a warm welcome and introduction by Student alumni coordinator Mr. Sultan (III BME). The alumni Ms. Hari Rathanya then proceeded to address the students on the field of Forensics and its impact in society. Various examples demonstrated by renowned movie directors in popular movies were compared to giving a good connection to the topic and a practical visualization of the role. Various verticals within the field were layered out for the students to gain a dept of knowledge in the field. Ms. Hari Rathanya then elaborated on her personal journal to choosing a career in the field, the career options she had at the time and the reason for her choosing a career in the field she is passionate about. The Universities / colleges that offer the program and the competitive examinations in both for government institutes and private to create a career in this field was elaborated. The informative session ended with a thank you note from the Student Alumni Coordinator Ms. Sureka (IV BME) who shared the team's gratitude for accepting the invitation to share her time and experience with us.
