**Outcome**

The principal acclaimed the bicycle's role in modern India as a versatile, simple, inexpensive, dependable fitness, sustainable transport option on this World Bicycle Day. Bicycling is an adventure sport, team spirit builder for the budding, industry ready engineers and for every Indian citizen to be fit and to preserve the environment.

**Event Summary**

On celebrating the 75th year of Independence of our mother India and World Bicycle Day, KPR Institute of Engineering and Technology, Coimbatore has conducted an awareness rally inside the campus on 3rd June. Principal has stressed that cycling is great for fitness, legs and mind which releases adrenalin, endorphins and the improves confidence from achieving new heights. And, cycling strengthens immune system, helps to maintain healthy weight of body, shapes muscles, improved lung, heart health, improves navigational skills and improves social awareness etc. The students have taken the rally with enthusiasm, team spirit and wore KPRIET sports uniform. The World Bicycle Day is adored by entire population irrespective of age and other factors and brings unity, concluded the principal.
