Outcome

Job or Academic Placement Skill Assessment Career Guidance Training or Development Opportunities Self-Awareness

Event Summary

Introduction: On [20.01.2024], [Department of CSE / KPRIET] organized a logical and aptitude test for students aimed at assessing their cognitive abilities and analytical skills. The event took place at CSE Classrooms from 9.00 am to 10.30 am

Objective: The primary objective of the event was to provide students with an opportunity to test their logical reasoning, numerical reasoning, and problem-solving skills. Additionally, the event aimed to identify students with exceptional aptitude and potential for further academic or career development.

Participants: The event was open to students from III Year Levels 150 students participated in the test. Students from various academic backgrounds and interests attended the event.

Test Format: The test consisted two of sections covering different aspects of logical and aptitude assessment. Each section included multiple-choice questions and reasoning exercises. Topics covered included numerical reasoning, verbal reasoning, logical reasoning, and abstract reasoning. The duration of the test was 1 hour, allowing students ample time to complete all sections.

Conduct of the Test: The test was conducted in a controlled environment through CSE LMS Portal lms.kpriet.ac.in to ensure fairness and integrity. Qualified invigilators and supervisors monitored the testing process. Students were briefed on the test instructions and guidelines before the commencement of the test.

Conclusion: The event provided students with an opportunity to assess and showcase their cognitive abilities and analytical skills. The results of the test will serve as a valuable tool for guiding students' academic and career aspirations.
