## Involved Staffs

| Sl | Name           | Role        |
|----|----------------|-------------|
| 1  | Vishnu Kumar K | Coordinator |
| 2  | Manoj Kumar S  | Coordinator |

## Outcome

Students got awareness about State of the Art Technologies  
 Gained knowledge on job market  
 Equip themselves about the preparedness for industry ready

## Event Summary

The recent conclave successfully brought together CEOs and top executives from startups and leading IT companies. This event served as a platform for engaging in insightful discussions, sharing innovative ideas, and collaborating on the future direction of the IT industry. The conclave effectively fostered networking opportunities, facilitated knowledge exchange, and inspired strategic partnerships to drive growth and innovation in the sector. The comprehensive agenda featured various sessions tailored to address key industry issues. These included keynote speeches from influential thought leaders, panel discussions that provided diverse perspectives on pressing topics, and interactive sessions that encouraged active participation from attendees. Discussions covered a wide array of subjects, such as emerging technologies, current and future market trends, sustainable business practices, and strategies for talent development. The conclave created an environment of meaningful collaboration by bringing together such a diverse group of industry leaders. This synergy is expected to lead to significant advancements in the IT sector, fostering innovation and strategic growth. The connections made and ideas exchanged during the conclave are anticipated to have a lasting impact, driving the industry toward a more dynamic and sustainable future.
