Outcome

The Department of Computer Science and Business Systems (CSBS), KPR Institute of Engineering and Technology, has organized the regional round hackathon 'HackFest'24' , in collaboration with SAP on April 25th and 26th, 2024 . The event got a impressive registration of 600+ teams from 75+ colleges from 14+ states. Totally 120 teams were shortlisted in the first round based on their abstract submission and idea presentation through online mode. The Second round was conducted on April 25th and 26th in KPRIET campus for the shortlisted 120 teams in offline. The Teams were asked to present their idea before the industry Juries from MNC's like Zoho, Thoughtworks, IBM, CTS, Amazon, Infosys, Ford Business Systems. Finally the top ten teams were selected for the final round to be conducted by SAP at PSGiTech in near future. Among the Top ten teams, the PSG College of Technology secured first place, winning a cash prize of 15,000 rupees, followed by Sri Eshwar College of Engineering in second place with a prize of 10,000 rupees, and KPR Institute of Engineering claiming third place with a prize of 5,000 rupees. The event showcased technical progress, cultural integration, and innovative solutions, making it a grand success.
