Date	28/03/2024
Time	10:00 AM to 12:00 PM
Event Type	Workshop
Event Level	Institute
Venue	II CE Class room
Total Participants	54
Students - External	54

Related SDG**Involved Staffs**

Sl	Name	Role
1	Indhira Devi P	Coordinator
2	Kavitha R	Coordinator

Outcome

The workshop on Tekla Structures was a resounding success, achieving its objective of introducing participants to the software's basics while fostering collaboration and skill development. The high level of engagement and positive feedback underscored the importance of such training initiatives in bridging the gap between academic learning and industry needs. Future workshops could build upon this foundation to delve deeper into advanced features and real-world applications of Tekla Structures.

Event Summary

Event scheduled at 10.00 A.M in the second day of the fiestaa 24, participants started gathering on the venue by 9.30 A.M. event starts with welcome address, welcome address given by Mohammed ameen from third year Department of Civil Engineering, after the welcome address session handed over to Ms.R.Kavitha assistant professor Department of Civil Engineering. Basic information about tekla structures is given by Dr. R. Kavitha Assistant professor Department of Civil Engineering. after that basics of tekla structures taught by faculty, Totally the workshop going for two hours. In two hours going very efficiently for all the students. totally 53 students attended the workshop, all are listening very well, Working progress will be shown by the faculty, working model shown for all the students, student asking doubts in between the session and faculty give the good response for all the students and give the good clarified answers for all the students. then last 15 minutes given for query session, in that session participants asking many questions to Ms.Kavitha Faculty coordinator, She cleared all the doubts and queries from the students. event finished with the vote of thanks.
