Outcome

The Career Development Program resulted in enhanced technical and soft skills, increasing participants' employability through certifications and hands-on experience. Attendees gained higher confidence in seeking promotions and new job opportunities, while expanding their professional networks by connecting with industry experts and peers. Improved self-awareness and clarity regarding career aspirations were notable outcomes. Practical knowledge was applied through real-world case studies, complemented by continuous feedback sessions for identifying strengths and areas for improvement. The program equipped participants with better job search strategies, including effective use of online job portals and networking. Long-term career growth and satisfaction were reported, fostering a community of lifelong learners committed to ongoing professional development.

Event Summary

The 'Career Development' session, organized by the Department of Artificial Intelligence and Data Science in collaboration with the SPARKS Student Association, presented a prime opportunity for students to engage in discussions on professional advancement and career pathways. Held on the 25th of April 2024 at the II AD venue from 09:00 am to 10:00 am, the event featured Sanjay Dharan D, a distinguished student from the AD Batch 2021-2025, as the esteemed resource person. Dr. S.V. Sudha, the esteemed Professor & Head of AD/KPRIET, served as the coordinator for this event, ensuring meticulous planning and execution. The session was further supported by esteemed faculty coordinators Dr. N. Saranya and Ms. A. Punidha, Assistant Professors at AD/KPRIET, who played crucial roles in the organization and facilitation of the event. The session aimed to furnish students with invaluable insights, guidance, and motivation to navigate their career trajectories effectively. Attendees had the opportunity to learn from the experiences and expertise of Sanjay Dharan D, gaining practical advice on professional growth and career planning. The event was well-received by the participants, who appreciated the interactive discussions and the wealth of knowledge shared by the resource person. The collaborative efforts of the department and the SPARKS Student Association contributed to the success of the event, making it a significant milestone in the professional development journey of the students.
