To understand the process to approach to get angel investment or VC funding opportunity for early stage entrepreneurs

Event Summary

The department of Electrical and Electronics Engineering, in association with the Centre for Innovation, Incubation and Entrepreneurship Development (CIIED), organized a seminar on **"Angel Investment/VC Funding Opportunity for Early Stage Entrepreneur"** on July 26, 2022, open to all who are keen on entrepreneurship. The student, Ms. J. Devadharshini, welcomed the gathering, and Associate Professor Dr. P. Pandiyan felicitated the gathering. The resource person, Mr. S. Sam Jaikumar, Field Coordinator, EDII – TN, IEDP – Hub – AURCC, deliberated the sessions and gave a glimpse of the Angel Investment/VC Funding Opportunity for Early Stage Entrepreneurs. He shared his own experiences and ignited the students to become entrepreneurs. There were 10 faculty members and 52 students who attended the seminar and benefited. The session was concluded with a vote of thanks delivered by the student, Mr. M. Jerome. The department of EEE/CIIED thanks the management for providing this opportunity to conduct the seminar successfully.
