IWS001**NBA Accredited**
(CSE, ECE, EEE,
MECH, CIVIL)**Need for Welding Automation**

Event No	IWS001
Organizing Department	Indian Welding Society
Associate Dept. NSC	Professional Societies and Clubs Mechanical Engineering
Date	30/07/2022
Event Type	Guest Lecture
Event Level	Club Society
Venue	IV MECH A Classroom
Total Participants	64
Faculty - Internal	4
Students - Internal	60

Outcome

Understand the need for welding automation Came to know the Career opportunity in Robotic welding Pros & Cons of Manual & Robotic welding

Event Summary

Department of Mechanical Engineering in association with Indian Welding Society organized a Guest lecture on the topic entitled "Need for Welding Automation" by Mr.S.Ramanathan, Technical Project Manager, Kavin Inc., Coimbatore on 30.07.2022 from 2.00 PM to 3.00PM. Around 70 aspirants had attended the session. The speaker emphasized the need for welding automation and its demand in industries. He also explained the various types of robots, manipulators, controllers used in robotic welding for different application. Further, he interacted with the participants and clarified the doubts raised. The session was vibrant, interactive and very much helpful to the participants.
