Outcome

Created mental health awareness through dance (Flashmob) .

Event Summary

Dance gives refreshment to the soul and happiness to the heart and it makes one vibrant throughout their life. Dance is the poetic baring for the soul through motion. Our KPRIET dance club students performed Flashmob to create awareness on mental health amidst one crore people in and around the state. The event was inaugurated by our principal Dr. M. Akila and felicitated by Dr. Babu Rangarajan, clinical psychologist in front of Science and Humanities block. Then the students from various branches were participated effectively and exhibited their talent by wonderful performance. Mr. G. B. Dejesh Raaj from final CSE and Ms. K. Bharathi from final ECE coordinated the event along with Mental health club and Sangamam. The event was around 15 to 20 minutes. During the event more than 250 audiences enjoyed the Flashmob and mental health awareness is created among them.
