Event Summary

As everyone knows our KPR Campus is a Green Campus with "n" number of organisms that enhance the beauty of our campus. To explore those varieties, the ECO club of KPRIET Sangamam, along with team Print and Media KPRIET designed a book called "**Incredibles of KPR**". On September 3, our celebrity guest Mr. Arya and our beloved principal Dr. M. Akila along with our faculty coordinator Dr. R. Saravanan, Sangamam coordinator Dr. V. Rajesh Kumar and our ECO warriors released the book. This book contains the details of the organisms in and around our KPR campus. The content includes organisms' name, biological name and a short note about the organism.
