REPORT

The DRAMA CLUB and MENTAL HEALTH CLUB OF KPRIET joined hands together to project an event VIMOKSHA which was held on 29.09.2022. The motto of the event is the effort to reduce the stigma around mental illness and mental health conditions by performing a street play. Everyone's performance was astonishing. The street play communicates the process of getting well, knowing your strengths and weaknesses, and creating a satisfying life for yourself. Most people who are diagnosed with a mental illness recover with awareness drama from our club Naadakalaya. Students raised the placards showing the message on the mental health like " You have two choices either to control your mind or let the mind control you". It was well appreciated by the audiens.
