Event Summary

The session was organized by Department of Civil Engineering in association with the Industry Institute Partnership Cell, KPRIET having Er. Shiju Sasidharan, Founder and CEO, BIM Labs Global as resource person. He explained the students clearly about the importance of BIM and its usage in the digital construction. He also emphasized on the importance of learning the BIM Software for making the career in a better standard in this modern world. Also he highlighted the insights of the softwares used in the industries and requested the students to learn the same. This event enhanced the knowledge of Civil Engineering students and will help to upgrade themselves. Resource person also clarified the doubts raised by the students and interacted with them.
