Applications of clicker quizzes are easy to use, as most students attend lectures using smartphones, laptops, or notepads. The advantages of these quizzes are that they provide real-time results, increase student engagement.

Event Summary

A national level quiz competition entitled "Quiz series on Physics" was conducted by the Department of Physics, KPR Institute of Engineering and Technology on 28-11-2022. Prof. S. Ananth was the convenor for this quiz series on physics. Dr.R. Subramaniyan @ Raja was the coordinator for this quiz series on physics. . The event was organized in association with ISTE Student Chapter – KPRIET. The quiz was conducted online via google forms. The link was opened at 12.00 AM on 28-11-2022. The link was disabled at 12.00 AM on 29-11-2022. The quiz questions were from various branches of physics such as nuclear physics, thermal physics, energy physics, electromagnetic waves, electricity, magnetism, thermodynamics, optics, laser, solar and space physics. Each question carries one marks. The quiz marks were declared immediately. E-certificates were provided for the participants those who scored above 50% in this quiz contest. There is no negative marking. About 906 students from different colleges of different states participated in it. The participants who scored above 50% in this quiz contest are 779.
