Outcome

First year students got awareness on outcome based education and NBA.

Event Summary

On Dec 06, we team Students Affairs organized the awareness Session on outcome based education for the OBE Ambassadors of first years. This event conducted in the Legend hall KPRIET between 11.00 am to 12.30 pm on December 6th 2022. The key speaker of this awareness programme is Dr. V . Kumar Chinnaiyan, Director Students Affairs and Alumni Relations, KPRIET. Dr.V.Kumar Chinnaiyan, Director Students Affairs and Alumni Relations gave an excellent presentation for the first year OBE Ambassadors. From the first year department two students for each class were selected OBE Ambassadors of first years and they attended this programme. The first year OBE Ambassadors students were actively participated the awareness Session on outcome based education. Dr. V . Kumar Chinnaiyan sir explained the outcome based education to the first year students, and he also explained why we have to study in NBA accredited college. The were eagerly asked the their doubts in outcome based education to Dr. V. Kumar Chinnaiyan sir. Dr. V. Kumar Chinnaiyan sir excellently cleared all the doubts asked by the first year students. He explained the rules and regulations of our college and also he explained what are the procedures to follow in the outcome based education system. The first year students are new to the outcome based education system, through this programme were got an clear idea about NBA and out come based education system. Dr. V. Kumar Chinnaiyan sir insisted each and every students who attended the programme to explain the same in their respective classes. The students were very happy to attend this programme and thanked the Students Affair for conducting this kind of programme to the first year students.
