Event Summary

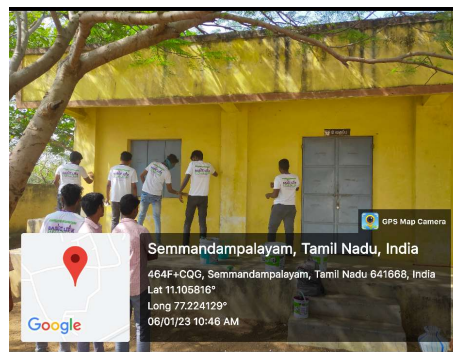

KPRIET Department of Civil Engineering organized an Institute Social Responsibility activity (ISR Activity) at Government High School, Semmandampalayam, Coimbatore on 06.01.2022. Students cleaned the block consisting of five class rooms and started painting the class rooms. Our team discussed with school head master and discussed about various activity to be carried out in near future for students improvement. In afternoon session, our students made a discussion with school children regarding various opportunities in higher studies for their future. Head master submitted various list of activities to be carried out for the students betterment in near future.
