More than 140+ Participants had pre-registered as well as registered on the spot and 50+ participants had participated in the competition. The winner pair and runner pair were rewarded with certificates and shields. All the participants received participation certificates. The event was held at the classroom venue (III ECE A and III ECE B) at the ECE Block facing Open Air Theatre (OAT) between 10:00 A.M. and 12:00 P.M.

**Round 1 - Buzzer Round**

The Conceptual Questions were displayed on the screen. The participants are paired up into 30 teams. A Buzzer app was instructed to be installed on the participant's mobile phones. A Volunteer is placed behind each row to monitor the unusual practices of the participants in their respective rows. The pair is provided with a Half A4 Sheet Paper along with the Group number. when the question is displayed on the screen, the participants began to press the buzzer and were given chance to answer the question. After several consecutive questions, The Top five pairs had been selected for the final round based on their results.

**Round 2 - Logical Reasoning**

The Shortlisted pairs are taken to another venue for the final round. The Hard level questions were displayed. The Participants answered and had given valid reasoning too. The Juries had a discussion on the reasoning part of the participants and declared Charan and Abishek of 1st year CSE as winners and Swathi and Prakalya of 1st year AD as runners.

The Winners and Runners received their achievement certificates along with the shield at IGNITTRON'23 Award Ceremony held between 3:00 P.M. and 4:00 P.M. on the same day.
