Event Summary

The KPRIET Office of Alumni Relations (OAR) and the Department of Mechanical Engineering held an offline (physical) event titled "Work culture in IT" on January 20, 2023. Mr. V. Yeshwanth, a KPRIET graduate from the classes of 2017 through 2021, was the event's featured speaker. Dr. S. Gokulkumar, Mechanical Department Alumni Coordinator, delivered the session's introductory remarks. The engagement sought to explore the work culture in IT.

Actual Outcome of the Event

1. Creating awareness among students about the work culture in IT
2. Building their interpersonal skillset to sustain in IT sectors

The program was attended by 54 students. The speakers answered questions from the audience during the Q&A session.

The diversity and depth of the questions show that participants were actively engaged in the program. Mr. T. Kannan, Assistant Professor (Sr. G), Department of Mechanical Engineering, concluded the event by thanking the speakers, students, and organizing team on behalf of the department.
