Event Summary

A Engineers Day Past Present Future towards the theme on Marching towards Placement Perspective is organized by Software Development Club on 15.09.2023 at 3.30 pm in Class room for the members of SDC. The sessions were handled by the chief guest Ms.Dharani, Senior Software Engineer, HCL Technologies. This program is coordinated by Ms.Pooja and her team, This program enhance the skillset of the students towards the placements. At the outset the SDC team taking initiative to make the event a grand success. The objective of this session is to discuss about the topic positively and negatively. In this session, the participants were benefited and enjoyed from this mega event.

Campus placement is an extremely significant event in the life of a budding graduate because it provides fresh grads with an excellent opportunity to transform themselves from novice to professional. As the campus placement interview date approaches, what to do and what not to do in the interview becomes the hottest subject of discussion among family and friends. Information overload makes the life of a new graduate overly burdensome, who is already stressed out pondering how to crack the campus placement interview to land a dream job at a leading company. If you are appearing for a campus placement interview, a terrific way to save yourself from getting too worked up is to direct all your energy into preparing a robust strategy that will help you ace the interview.

The following tips regarding the placement .Make Your *Resume Impressive*. ...

Prepare Yourself for Basic Campus Placement Questions. ...

Find Out as Much as You Can About the Organizations Coming in for Campus Placement. ...

Make Sure That the Relevant Documents Are in Order. ...

The Way You Present Yourself Is Vital. ...

Dress the Part.
