Outcome

Kavithai Potti was conducted successfully. Outside participants are able to express Tamil poetry talent and we have good outreach among other colleges by conducting this type of cultural events.

Event Summary

FIESTAA '23 - Biggest Techno Cultural Fest. The two-day techno-cultural festival FIESTAA '23, which will be held on February 16 and 17, 2023, is intended to break down barriers between cultures and to inspire creative thinking. It is organised by KPR Institutions and will feature a variety of workshops, games, challenges, competitions, and non-technical clashes. For this techno-cultural event, more than 15,000 beginning students from throughout India are anticipated. The festival is scheduled to be illuminated by a number of renowned social media stars, motivational speakers, stand-up comedians, and famous business leaders. Different Engineering departments organise both technical and non-technical events. From Tamilmandram, we are going to conduct 'Kavithai Potti'.

On behalf of Sangamam – Tamilmandram, KPR Institute of Engineering and Technology, Kavithai Potti was conducted by enthusiastic Tamilmandram student members and coordinated by faculty Head Mr. K. Murugesan. There are 18 external participants from various colleges attended the Kavithai Potti event. The participant can participate as individual. First round, one topic, 'Saalai Paathukaappu' (Road Safety) was given and also they can choose their own topic if they wish, and they have to write poem within the given time. From the first round, selected participants can attend the second round. Second round, participants shall read the poem with good voice modulation and good expression. From the second round, one winner and one runner up selected and prize awarded with certificate by Mr. K. Murugesan. Other faculty members supported well. Certificate provided to all the participants. It was good to see the interested guys in our Mother Tongue.
