Event Type	Alumni Activity
Event Level	Dept. Level
Venue	3rd Year - Mechanical Classroom
Total Participants	67
Faculty - Internal	2
Students - Internal	65

#### Outcome

Students are benefited by acquiring knowledge about onsite education

#### Event Summary

On February 18, 2022, the KPRIET Office of Alumni Relations (OAR) in collaboration with the Department of Mechanical Engineering conducted an awareness program on the theme "Onsite Education" as an offline (physical) event. Ing. Yogesh Kumar Ravikumar is a KPRIET alumnus (Batch 2014-18). The program began with a welcome message by Mr.S.Gokulkumar, Alumni Coordinator-Mechanical Department, followed by the presenter's extremely motivational lecture. The interaction was aimed to guide and motivate students to pursue the appropriate career with zeal and conviction in abroad. **During the interaction, the following topics were discussed:** 1. Career Guidance - Career Stream Selection 2. Getting Ready for Onsite Challenges. 3. Required skill sets for the chosen stream. 4. How to select a university based on specific requirements. Around 65 students took part in the program. Several audience questions were addressed by the speakers during the Q & A session. The diversity and breadth of the questions raised indicates that participants engaged actively in the programme. Dr. L. Prabhu, Assistant Professor (Sl.G), Department of Mechanical Engineering, concluded the engagement with a Departmental vote of gratitude to the speakers, students, and organizing team.
