Event Summary

The Department of Electronics and Communication Engineering-Alumni relation in connection with department students' association SPARTRANZ organised a Alumni Lecture Series 4 on 25.03.2023. Resource person : Mr.Vaishnav, (2017-2021) Pursuing M.Sc(CNSS), University of Hertfordshire, Hatfield, UK. Ms.M.Supriya, Assistant Professor/ECE, welcomed the gathering and she introduced the resource person to the gathering. Interested students from Second and Third year attended this lecture. He had discussed about the higher studies opportunities in abroad universities. He highlighted the various opportunities in higher Education.He enlightened the students with the various opportunities of pursuing higher studies in the different countries and their requirements. He gave an overview of the exams to be undertaken and the factors to be considered to admission process. He also gave a glimpse of newer course programs and its future scope. He kept the students involved in the conversation by sharing his expertise and experience in this field. Also he has shared the experience of his studies in our institute. He has mentioned the opportunities created for current students to pursue their higher studies by our institute. The infrastructure facilities created for the betterment of the students also mentioned and appreciated by him. Also he has shown willingness to guide the students those who are having interest in pursuing their higher studies in abroad. Dr.B.Jaishankar,Professor/ECE delivered vote of thanks.

Overall the students were satisfied with the lecture and gave their feedback as to conduct more events of such kind to enrich their knowledge on the various opportunities to pursue their studies abroad.
