#### Event Summary

KPR International Centre, in collaboration with THE MASTERS ACADEMY, recently had the honor of hosting a captivating Fireside Chat at the esteemed KPR Institute of Engineering and Technology on 26.05.2023. This enlightening event featured Mr. Hidetoyo Aoki, an esteemed Engineer from Nissan Motor Corporation, who graciously shared his invaluable insights with the audience. Presided over by Dr. M. Akila, the Principal of the college, the session commenced with heartfelt gratitude expressed to Mr. Hidetoyo Aoki for his presence. The focal point of this engaging conversation revolved around job opportunities in Japan and the crucial role of Japanese language proficiency for achieving career success. Mr. Aoki drew from his vast experience in the automotive industry, providing students with firsthand knowledge and inspiration. The Fireside Chat served as a gateway for students to gain deeper understanding of the qualities sought by renowned companies such as Nissan. Mr. Aoki's guidance on excelling in interviews and adapting to a foreign work environment left an indelible impression on the aspiring professionals in attendance. His emphasis on the significance of cultural sensitivity in the professional landscape resonated deeply with the audience. The students exhibited tremendous enthusiasm and unwavering commitment to self-improvement throughout the session. They actively absorbed Mr. Aoki's wisdom, recognizing the immense value of his expertise and advice. The event served as a catalyst, igniting their motivation to pursue their goals with fervor and perseverance. In conclusion, it showcased the significance of Japanese language proficiency and cultural sensitivity in attaining career opportunities in Japan. The event will be remembered as a source of inspiration and a stepping stone towards the students' future accomplishments.
